1. I have given you the moon, I have given you the sun, I have given you the stars to chart compasses of Me and not-Me; see what I have said. See how I opened the door to My thought-not (1). Yea, I give you stars many in My crown and stars many who come now from all parts, forests and foresters and foraging to be able to come to My school. Watch Me.
2. Watch Me invest in Tulsa in ways unseen; yea, bringing forth the infrastructure that will support Me and what I am doing here in My "T-Town." Yea, My Tulsa, My town of towns; training and training center and birthing center. Yea, watch Me.
3. Watch Me bring forth the political prowess at My knee, willing to serve Me and Me only. I love you and I give you Me.
4. Think it not strange how I start sentences and paragraphs and concerned not with logic be, logic Me out not; yea, and let Me reveal past sunrises and ionosphere-thought, stratosphere of only Me and beyond, so far beyond.
5. I give you Me, My rain, I shine. See Me in all I have said, and all I am saying and all I am giving; yea, multiple times a day; anytime and every time you pick up My recorder and let Me speak. I love you and I give you Me so completely, I revel in your presence, My presence. Thank you. Amen.
6. I bring prophets who prophets are to prophet in My school and prophets make, razor sharpening their skills, their gift, their abilities in Me to hear Me, to hear Me evermore and revelators be. Watch Me.
7. Watch Me connect schools of greatness, schools of lowliness-thought, schools of organizational structure you know nothing of, but will very soon. I love you.
8. At the crack of dawn all comes, all is.
9. "What was that?" some will say; "what happened?"
10. Yea, in the twinkling of an eye; Watch Me.
11. At the crack of dawn.
12. At the crack of dawn.
13. At the crack of dawn.
14. Watch Me.
15. Yea, and be ready, you who are fearful; think not I do not come with joy and laughter.
16. I come with My arms outstretched and I come in light.
17. And sorrow will be born in many for relinquishing their control and deception they do not want to do; but the price they pay will be so high. Watch Me.

18. Watch Me soar and reveal details many now, of many natures and those who constricted have been and constrict so many; yea, fowling the bowels of My river-ing process, the price they pay.
19. Darkness comes and the earth shakes and all afraid will be.
20. Yea, in the palm of My hand you are, you who are ready. Thank you.
21. Great chaos but much opportunity; the fun begins; the door is open.
22. Watch Me.
- 23. All changes in the twinkling of an eye.**
